Germantown, Ohio 45327
(937)654-4308

Due by: 19 Mar 2021 (to be included on poster and banner)

Referring Player_____

Dear Community Member,

The Valley View Boys Tennis program would like you to consider sponsoring our program for the 2021 season. This year, more than ever, your generous financial support of our teams will have a huge impact on many kids within our district. It has been a crazy 11 months since our season was cut short last Spring due to COVID-19, and heartbreaking for the 2020 seniors who were looking to have a fantastic final season. Due to COVID-19 many of our fundraisers last year, and this season, have been greatly affected, which is detrimental to what opportunities we can offer our players. In these challenging times for all of us, please consider helping provide some normalcy for the players of our teams who have not been able to play a tennis match since May 2019.

This will be our 47th season since our start back in 1975. Over the past several years, our program has been growing throughout the community in size and success. Our Middle School coed team (grades 5-8) is in its 6th season and would have had 32 players last Spring. Our Rec Tennis Team for Valley View (Grades PreK-4) is in its 3rd season, and never really got to get started last Spring, however we had a bunch of young kids longing to get onto the court. These expansions have allowed opportunities for kids to get involved with tennis at even younger ages since they have been created in recent years.

Back in 2019 our high school team had one of our most successful seasons in history with 26 players on the roster, a 13-7 record, being ranked 5th in the entire Miami Valley, and kept an average team GPA of 3.49. They defeated some very tough teams that season, such as Chaminade Julianne, Bishop Fenwick, Lehman Catholic, and even advanced in the district tournament to the State qualifying round. These successes have allowed the High School Varsity Team to have a winning record over the past 12 seasons.

The boys have already dedicated themselves to make this upcoming season even more successful by starting practice even earlier. They have been practicing indoors at the Forest Hills Sportsplex in Middletown. These indoor courts are just one of the places that you, as a donor, have a large financial impact on the boys of this team.

If you wish to sponsor us, please see the attached form for details. It is a minimum of \$50 to sponsor the team. However, if you are able to donate more, it is greatly appreciated. We would love for you to keep up with us on our website www.valleyviewtennis.com and on our Facebook page "Valley View Boys Tennis." Season begins 26 March 2021, with our schedule listed on the website. Thank you and we look forward to hearing from you.

William Heistand
Head Boys Tennis Coach
Valley View High School
