

# Practice Expectations and Indoor Court Expectations

## Practice Expectations

In order for our team and program to succeed and reach its goals. All players are expected to follow the following expectations:

- Be on time (dressed, equipped, and in the process of warming up when practice is scheduled to start).
- Work hard every minute of practice, the harder you work the faster you will become better.
- Have a good attitude to build up yourself, your teammates, and your team.
- If you are unable to make practice or will be late, communicate with a coach as soon as possible.
- Not communicating lateness and/or missing practice will result in extra conditioning consequences based on the amount of time missed.
- If you are sick, do not come to practice (must communicate with coach before practice starts).
- If you are injured you are expected to be at practice.
- If school is cancelled, await notification about the status of practice from coaches based on decisions of the Athletic Department.

## Indoor Court Expectations

This season Valley View Boys Tennis has partnered with Forest Hills Sportsplex. This will allow us to practice indoors in the presence of poor weather conditions outside. Varsity practices will run at normal times, however we will meet as a team at the indoor courts. Unfortunately JV practices may be canceled, due to the indoor courts being unavailable after 6PM. JV is allowed/encouraged to join the Varsity for the day to practice indoors, however because of the time change it is not mandatory. As early as possible, I will send out a message using **Remind101** stating that we are going indoors. All players will need to find transportation to the indoor courts. Remember using indoor courts cost money that the team has raised, for the benefit of being able to play tennis on days that many of our opponents are unable to. Even though plans may shift, all players need to stay focused and work hard throughout all of practice. It is a privilege for us to be able to use this facility. We must take care of the facility and be respectful to all that we encounter there.
